

Motion to Subpoena Evidence, Facts,  
Defendants Lists, Documents and  
Accounts Vital to Case **FILED**

Dear Honourable Judge -

JUL 11 2023

THOMAS G. BRUTON  
CLERK U.S. DISTRICT COURT

I am unable to properly file my Complaint, Respond to documents, list Defendants and Facts or properly carry-out this court process without the evidence, records that VI intentionally blocked me from (by illegally removing me from VI without cause) so I would not be able to finish my reports or file the case.

I am unable to properly file this case without this evidence, documents. The case is contingent on these records, facts, documents - some of which include confessions.

I therefore respectfully request that your Honour Subpoena these documents, accounts, records so we are able to move forward with the case - so I am able to file to write the full Complaint, respond to documents and carry-out the case.

The evidence is contained in the Deans Offices at VI - OSCR, Justin Brown and Stephen Bryan, among others.

I thank your Honour for reviewing my case and I look forward to seeing you in court.

Please grant this subpoena request.

Thank you,  
Rose
